

Visornets participates as an exhibitor, together with Ti Brembo, in the [EdilSocial Expo fair](#), the international exhibition of Construction, Architecture, Design and Furniture.

The fair will be held between October 9 and 11, 2023 at the Sharjah Expo Center in the United Arab Emirates.

In this edition, the main theme of the event will be “Design in harmony with the environment: sustainability, planning and construction.”

We will show all attendees the new features of Visornets for next year 2024. Among them, you will be able to learn about the characteristics of our slab edge high protection system EN 13374, class A and B, called [BesSystem](#).
